To Whom It May Concern:

We cannot thank you enough for your generosity to Bishop Gorman High School. Your assistance in providing designated drivers to our guests requesting your service at our Wine & Beer Tasting and Auction on September 29th on our new Campus ensured the success of our event. As we understand, the services provided were valued at \$1,500.00. We received an invoice for \$650.00. We have enclosed a Charitable Contribution Receipt for you to complete for your tax records.

The names of our gift donors were proudly displayed in the auction catalog. Unless otherwise notified by you, the following acknowledgments will be published in Bishop Gorman High School's *Annual Report of Giving* in the fall of 2008.

Should you wish to amend the acknowledgment, please contact Patricia Taris in the Development Office at (702) 476-4035 or ptaris@bishopgorman.org.

Please accept our heartfelt appreciation for your most exemplary support. Our students are the beneficiaries of your generosity.

Sincerely,
