TO WHOM IT MAY CONCERN:

In conjunction with our mission of ensuring public safety on the streets and highways of Clark County, we have had the pleasure of working with many community organizations in an effort to develop revolutionary ideas to improve the quality of life in Nevada and the safety of its citizens.

Among those organizations, we have worked with Designated Drivers, Inc., an organization that provides a much needed service in our community. In an effort to reduce the number of impaired driving crashes, I would strongly recommend this type of organization being available for use at all community/public events.

If you require further information, please do not hesitate to contact me at 455-3847.

Respectfully,

**GARY R. BOOKER**
