Billie
Dear Mr. Smith,

As Mayor of this wonderful city, as well as an honorary board member for Nevada Child Seekers, I want to personally thank you for attending the 1st annual "Child Advocate of the Year" awards dinner held in my honor. Not only was I grateful to be chosen to receive the award, I am sure you will agree that the evening's events will be fondly remembered by all. From the Bombay gin inspired recipes to the live auction, the evening was full of fun – and all for a wonderful cause.

The Nevada Child Seekers Board of Directors, its staff, clients and volunteers, as well as the children and families that are served, thank you for your support in our mission of locating and advocating on behalf of missing, abducted and runaway children. It is important for you to know that all proceeds from the event will directly impact children and families throughout our community through a wide range of programs that are available. From fingerprinting and outreach programs within our children's schools to assisting agencies in locating a missing child, you should know that your contribution and support of our organization truly assists in keeping our most precious resource safe.

We look forward to your continued support and seeing you at the 2nd annual "Le Gala de Cuisine" dinner to be held in 2008. Again, you have our heartfelt thanks.

Sincerely,

OSCAR
Oscar Goodman

Mayor Oscar B. Goodman
