Erin Breen and Billie Smith,

First of all, I wanted to thank you for partnering with us for the Labor Day weekend. Anything we can do to make the streets a little safer is super. We had a great response from our customers; and, the idea behind the campaign was brilliant! The lighted ice cubes were a huge hit, and the word really spread about the dangers of drinking and driving.

I also appreciate being honored at the Safe Communities Award Luncheon for the small role I played in the weekend's events. However, I am sad to say that I will be out of town that week and unable to attend.

Good luck in the future and we hope to work with you again. If there is anything I or the T-Bird Lounge can do to be of assistance, please don't hesitate to contact me.

Sincerely,

Mary Alice Rasmuson
